

## Newspapers.com Demonstration

Presented by Chris Clark

Saugatuck-Douglas Library, 23 January 2025

Newspapers.com, part of Ancestry.com, is the largest online newspaper archive. It's used for genealogy, historical research, crime investigations, journalism, and more. Find obituaries, marriage announcements, birth announcements, and all kinds of news. The full collection has a billion pages from newspapers around the USA and beyond!

**ACCESS** — a link at the bottom of the page will help Michigan residents apply online for a free Library of Michigan eCard. After you have an ID and password, use the login link below to gain access to the **Newspapers.com World Collection**. You can search 230,000 pages from 23,000 historic papers that go back to 1690.
